Version Number: 2 **Committee Reviewed:** Standards

We believe that parents, carers and the community can add enormous value to learning opportunities within the Trust. This is why we encourage parents and other adults to help schools in a variety of ways. This policy is to ensure that students benefit from as much help and support as possible whilst the schools ensure that their safety and security is paramount.

All volunteers are expected to sign the attached Code of Conduct for Volunteers and must complete the attached Volunteer Application Form.

Aims

- To provide parents/staff and volunteers with clear expectations, induction and guidelines for working in the Academy
- To encourage the wider community to engage with student's learning, to raise standards of achievement and promote community cohesion
- To provide staff, volunteers and parent clear expectations and guidance
- Set a clear, fair process for recruiting and managing volunteers

Policy developed in line with statutory safeguarding guidance and Keeping Children Safe in Education.

Volunteer helpers are:

Parents or other adults working alongside teachers and support staff with students.

Members of the governing board working at the school in their capacity as governors (for instance, conducting school monitoring visits or attending meetings), are not covered by this policy. They are covered by our governor code of conduct.

Volunteer helpers support the Academy in a number of ways:

- Supporting individual students within classrooms
- Hearing students read
- Helping with classroom organisation
- Helping with supervision of students on school trips
- Helping with group work
- Helping with art or other practical subjects (i.e. cooking etc.)

Volunteer helpers are not allowed to do the following activities:

- Take responsibility for all or some of the class

- Supervise students changing
- Supervise students engaged in PE or other specialist activities
- Take students off the Academy site without a teacher in charge
- The responsibility for the health and welfare of the students remains with the teacher at all times

Appointment of Volunteers

All appointments are conditional upon the completion of an enhanced DBS check, references, any other recruitment checks required and relevant training.

The headteacher reserves the right to terminate a placement at any time.

Signing in

When any volunteer arrives they must sign in at the main reception and collect a visitor badge which must be worn at all times. The receptionist must have knowledge of which area the volunteer is working. Volunteers must also remember to sign out and state the time when they are leaving site.

Safeguarding checks

Volunteers should be supervised at a reasonable level. All volunteers will undertake a Disclosure Barring Service (DBS) check. If in doubt a risk assessment will need to be undertaken to assess the level at which the volunteer is working. This should then determine the level of supervision they feel is sufficient to provide reasonable assurance for the protection of children concerned and to ensure this is on-going, regardless of the length of time the worker has been doing the activity. For example a reading mentor who sits within a classroom and is supervised at all times including to and from the classroom, so no barred list check would be required. If the reading mentor works away from the classroom and is unsupervised to and from the classroom, they would be eligible for a barred list check as part of the regulated activity.

If a volunteer has had any criminal convictions or allegations made against them, these must be disclosed to the Headteacher prior to volunteering in the Academy. This will be dealt with in strictest confidence. The Headteacher has the authority not to accept the help of volunteers if it is not in the best interests of the students.

Other examples of volunteers not requiring a barring check

Volunteers who accompany staff and students on one-off outings or trips that do not involve overnight stays. Those who help out at specific events e.g. fete, one off school days etc, who do not have unsupervised access to students or the site.

Confidentiality

Information about pupils, parents and staff is confidential. Volunteers are not permitted to discuss issues related to pupils, parents or staff with those outside of the organisation. If volunteers have concerns, they should raise these with the appropriate member of staff. They shouldn't discuss them with pupils or parents.

This doesn't prevent volunteers from adhering to the school's safeguarding policy (with regard to reporting safeguarding concerns or disclosures).

If concerns relate to safeguarding, volunteers must follow the guidance in our child protection and safeguarding policy, and inform the designated safeguarding lead.

If concerns are related to whistle-blowing, volunteers must follow the guidance in our whistle-blowing policy.

Deployment of parent helpers

It is the policy to ask parents not to support in their own child's class, as this can be distracting for the child. Helpers will be asked to support in classes where there is the most need for individual support.

Monitoring and review

The day-to-day monitoring of this policy is the responsibility of the Headteacher and leadership team. There will be a record of the number of volunteers in schools to ensure their value and impact in supporting student's learning is sustained. All volunteers will be listed on the school Single Central Record.

1. Professional conduct

Volunteers must accept and follow instructions provided by supervisors, and ask for guidance or clarification if required. Questions can be directed to the supervising member of staff (office/admin/resource manager)

Behaviour management is the responsibility of school staff. If volunteers witness behaviour that is in breach of the school's behaviour policy, or are struggling to manage the behaviour of pupils with whom they're working, they should alert the class teacher immediately. Volunteers should not attempt to reprimand pupils or issue sanctions.

- Volunteers must conduct themselves in a professional manner at all times. This includes:
- Dressing in a way that is professional and appropriate to the work they are doing
- Refraining from using inappropriate language
- Setting an example for pupils by acting in a way that reflects the school's ethos and values
- Behaving in a way that is appropriate for the role they are undertaking
- Ensuring that comments, including those made on social media, do not bring the school into disrepute

Volunteers must not accept gifts from, or give gifts to, pupils. The exception is small tokens, such as those exchanged during the holidays or as a way of saying "thank you".

Volunteers must not transport pupils in their own cars unless specific arrangements have been made with the school, and the pupil's parents have consented.

Parent volunteers with children at the school must not act in a way that favours their own child, and should not approach their child unnecessarily during the school day (for instance, during break times). They may not use their time as a volunteer to discuss their child's education with school staff.

If a volunteer is unable to come to school when they are expected/scheduled to be in, they must contact their supervisor or the school office as soon as possible. Inconsistent attendance may result in the placement being reviewed or terminated.

2. Safeguarding

Volunteers must be familiar with, and adhere to, the school's safeguarding and child protection policy. Safeguarding training will be provided to all volunteers before they begin their placement.

If volunteers have concerns about the welfare of a child, or if a child makes a disclosure, they should speak directly to the designated safeguarding lead (DSL) or deputy DSL. (See Safeguarding Procedure flowchart in individual school)

Volunteers should refrain from physical contact with pupils, and should use their judgement to determine when physical contact is appropriate. If physical contact with pupils is required, volunteers should ask for a pupil's consent before touching them.

Volunteers must not form personal relationships with pupils, either inside or outside of school, with whom they do not already have a personal relationship. This includes:

- Exchanging contact information
- Making contact with pupils outside of school, including on social media
- Arranging to meet pupils outside of school
- Alerting the DSL if a pupil develops an infatuation with them
- Volunteers should not take or share photos of pupils unless instructed to do so by their supervisor.

3. Health and safety

Volunteers must abide by the school's health and safety and first aid policies. Volunteers are not to administer first aid, except in an emergency where none of the designated first aiders are available.

Volunteers must be familiar with the school's fire safety and emergency evacuation procedures.

Volunteers must sign in and sign out at the beginning and end of every visit, and must wear a visitor badge at all times.

4. Confidentiality

Information about pupils, parents and staff at the school is confidential, and should not be shared with anyone else. Volunteers shouldn't discuss pupils with parents or other children. If parents approach volunteers for information, they should be directed to speak to a class teacher or the headteacher.

Failure to adhere to this code of conduct may result in the termination of the placement. In more serious cases, misconduct will be treated in line with the school's staff disciplinary procedures.
